Friends of A Christian Ministry in the National Parks,

During the summer of 1951 in Yellowstone National Park the founder of A Christian Ministry in the National Parks (ACMNP), Warren Ost, sensed a need and responded. Christian worship services were offered in the Old Faithful Inn and a ministry was born. As leaders of ACMNP we spent several years anticipating the 70th summer of ministry in the parks during the summer of 2020. We had plans, goals, and dreams of a record number of Ministry Team Members serving in an ever-growing number of park settings.

Of course, all of that changed in the spring of 2020. For a few days we wondered if sending team members to parks would be a possibility. We sensed God's call to move forward and were resolved to help meet a 70-year-old need for ministry and worship in new ways and through unprecedented challenge. It became clear that thousands of people would still seek the solitude and inspiration offered by the innate beauty of our nation's national and state parks. We anticipated that young Christian leaders would respond to the call of God to serve in the parks. There would continue to be a need for ministry, encouragement, and service to park visitors and those who live and work in park communities. In the face of uncertainty and risk, 164 men and women responded to God's call and served faithfully and courageously.

Ministry looked much different in the ministry's 70th year. Worship service opportunities were limited as park officials worked to protect visitors and park workers. Relational ministry and "impactful interactions" became even more important as team members sought to encourage others and share God's message of healing and hope through Jesus Christ.

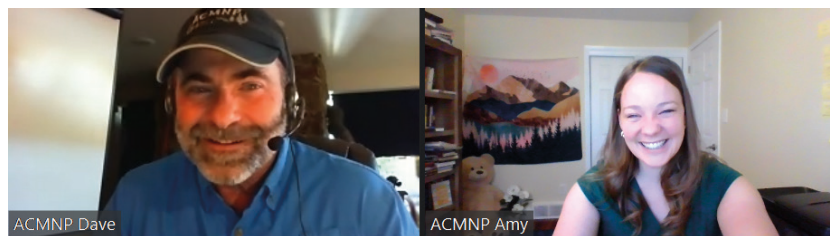

While worship service offerings fell by 55%, friends of ACMNP responded to the financial needs of the ministry with generosity. Along with the ACMNP Board of Directors we made the decision to not participate in the government funded Paycheck Protection Program (PPP). For 70 years ACMNP has protected the wise and healthy separation between our ministry efforts and the government. If you have attended an ACMNP worship service you have probably heard the phrase, "Although we enjoy the finest cooperation with the National Park Service and the concessionaires that serve the parks, no governmental funds are appropriated to maintain the efforts and programs of ACMNP." We wanted to protect those boundaries which are so important to our relationship with the National Park Service.

Now, we are looking ahead to the next round of opportunities and challenges. Applications for summer ministry are up dramatically and we anticipate another Christ honoring summer of ministry in 2021.

Thank you for what you do to make worship, service, and the development of Christian leaders possible!

*Amy & Dave*
