Friends of A Christian Ministry in the National Parks,

Thank you for your interest in the unique efforts of A Christian Ministry in the National Parks (ACMNP). There really is nothing like ACMNP and its God-honoring mission to “embody and extend the ministry of Jesus Christ through worship, witness, and the development of Christian leaders” in state and national parks in the United States and Canada.

Like many organizations, we still feel the lingering impact of COVID, shifting cultural norms, financial challenges, and employment obstacles. Even so, we are inspired by significant opportunities to make an impact within park communities. As we conclude 71 years of ministry, we are grateful for the 147 Ministry Team Members who answered God’s call to share the love, grace, and mercy of Jesus Christ with others. We were able to return to in-person training conferences, making team preparation more effective. Our IMPACT Trip ministry is thriving as we hosted four short-term trips with 67 participants in 2022. These trips are designed for those who do not have an entire summer to devote to park ministry and provide the opportunity to experience a worship event, participate in a service project with the National Park Service (NPS) or concessionaire partners, and participate in leadership development through our leadership assessment and coaching.

As the ACMNP board of directors and executive directors continue to embrace fully the responsibility of financial discipline, we are pleased to report that our financial accounting systems and audit processes are robust, delivering organizationally unprecedented accountability and transparency. If you have questions or would like to receive additional information, please contact us at info@acmnp.com.

In late November of 2022, we received a card from a team member who experienced an unexpectedly tough season of ministry. She wrote,

“I am so grateful to have had the opportunity to walk out and share the ACMNP mission. What an opportunity to grow spiritually in such diversity and beauty. God certainly knows what he is doing! Being just seven weeks post-season, there has been time for reflection, rest, prayer, and with a different lens I am able to see how lovingly God gifted this season to us.”

So, we would take this chance to say “thank you” to the hundreds of individuals who support the ministry of A Christian Ministry in the National Parks in seemingly countless ways. We are grateful for your prayers, your financial gifts, and your good words as you share the mission of ACMNP with others!

Blessings to You,

Amy & Dave
